# Logging In to Edgenuity

1. Go to https://auth.edgenuity.com/Login/Login/Student

2. Enter your username and password:

   Username: _____
   Temporary Password: _____

   New Password: _____

3. Click on the name of your course.

4. You can click on the **Course Map** to see an outline of the entire course, or click on **Next Activity** to be taken directly to the next activity.

5. For additional resources, click on the **Organizer.**

6. The **Resources** tab has a great <u>Orientation and How-To</u> video to help you get started with Edgenuity.

7. The **Communications** tab has:
   a. <u>Assignment Calendar</u>: Tells you what activities to complete each day to finish your course by the target date.
      *<mark>Make sure your teacher has updated the target date!</mark>*
   b. <u>eNotes</u>: Any eNotes you have taken will be here to study and review
   c. <u>Scores and Feedback</u>: See any grades or comments your teacher has entered on your assignments.
